Dear Sir or Madam:

In accordance with the requirements of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, Melaleuca, Inc., notifies FDA that it has begun using the following statements:

- This natural compound promotes joint mobility and allows adequate production of the components that support healthy cartilage.
- Replenex replenishes your body's supply of glucosamine, and thereby helps support and maintain the health of your joints.

These statements contain the statutory disclaimer. The name of the dietary supplement is Replenex™, and the relevant dietary ingredient is glucosamine HCL.

I certify that the foregoing is complete and accurate, and that Melaleuca, Inc., has substantiation that the statements are truthful and not misleading.

Very truly yours,
